As shown in the attached photograph the area beside the toilet is filled with garbage stagnant dirty water and clogged drainage. Plastic waste and other litter have accumulated creating a foul smell and providing a breeding ground for mosquitoes and insects. This poses a serious health risk to passengers and railway staff and reflects poor sanitation and maintenance. | DEAR RAIL USER, AS PER OUR TELEPHONIC CONVERSATION, YOU STATED THAT PLATFORM NO-3 OF KGY STATION IS NOT CLEANED. THE MATTER HAS BEEN INFORMED TO CI/KGY TO TAKE NECESSARY ACTION. THANK YOU FOR HIGHLIGHTING THE MATTER. THE INCONVENIENCE CAUSED TO YOU IS DEEPLY REGRETTEED. THANK YOU FOR USING RAILWAY SERVICES. |

Inconvenience caused is deeply regretted. It is intimated that train no 12626 has been rescheduled to depart at 23:20 hrs (18-Jul-2026) from NEW DELHI due to late arrival of incoming train no 12625, which was arrived late due to operational constraints and bunching of trains. However, to minimize the late running of train and improve the quality of service, necessary efforts are being made. |
