The issue appears to have arisen due to waste generation, litter dispersion, and overcrowding. Onboard cleaning is conducted five times daily at designated intervals by dedicated staff. However, despite regular cleaning, issues such as scattered waste papers, food spillage, and accumulation of additional litter may occur due to high passenger density, unauthorized passengers, and vendor activities. As per your request, instructions have been issued to the cleaning staff to promptly attend to the coach for re-cleaning and to ensure necessary rectification of the affected areas. your cooperation is highly solicited.
